

31st HUPO Human Brain Proteome Project Workshop

May 27-28, 2019

**VUmc polikliniek
Amsterdam, The Netherlands**

**This workshop will
provide a forum for researchers
to meet and discuss the latest
developments in proteomic
initiatives to better understand
brain disorders**

31st HUPO Human Brain Proteome Project Workshop

We invite you to an interactive meeting composed of short talks in an informal environment focusing on:

- Protein profiling
- Human tissues and fluids
- Brain disorders
- Protein biomarker candidates

Venue

The meeting will be held at Amsterdam UMC, location VUmc

Registration

Visit www.hbpp2019.com for information and registration details.

Each participant is invited to submit an abstract of 200 words for a 10-15 minute oral presentation. Submission deadline is April 15 2019.

The registration fee (120 euro) includes conference attendance, lunch and conference dinner on Monday May 27. The fee should be paid upon registration.

Maximum number of participants: 80

The HUPO Human Brain Proteome Project (HBPP):

Scientific board

Charlotte Teunissen, *VU University Medical Center Amsterdam, Netherlands*

Katrin Marcus, *Medizinisches Proteom-Center, Bochum, Germany*

Oliver Schubert, *University of Adelaide, Australia*

Daniel Martins-de-Souza, *University of Campinas, Brazil*

Peter Nilsson, *SciLifeLab, KTH, Stockholm, Sweden*

Robert McCullumsmith, *University of Toledo, Toledo, USA*

HBPP mission:

”Create and harbour a broad and global network of neuroproteomic researchers with a focus of attracting young researchers”

Local organisers

Charlotte Teunissen

Connie Jimenez

Marta Del Campo Milan

Marleen Koel-Simmelink

Jose Gavalda García
